## Rodings Primary School

### Charging and Remissions Policy

**Date policy adopted: October 2018**

**Due for review: October 2019**

The Headteacher and Governing Board of Rodings Primary School recognise the value of providing a wide range of experiences to enrich and extend pupils' learning and to contribute to their personal development. The Headteacher and Governing Board aims to promote and provide such experiences for the pupils of the school, both as part of a broad and balanced curriculum and as additional optional activities.

This policy will set out the circumstances in which charges will or will not be made for school activities and when charges may be waived in order to ensure that all pupils have an equal opportunity to benefit from school visits, curricular and extracurricular activities. The Governing Board has resolved to make charges as allowed by the Education Reform Act 1988.

#### Statement

The policy complies with the requirements of the Education Act 1996 We aim:-

- To make school activities accessible to all pupils regardless of family income
- To encourage and promote external activities which give added value to the curriculum
- To provide a process which allows activities to take place at a minimum cost to parents, pupils and the school
- To respond to the wide variations in family income while not adding additional unexpended burdens on the school budget

#### CHARGING POLICY

##### School Meals

The charge for a school meal will be set annually by the Governing Board following consideration of the Catering Business Plan as part of the annual budget setting process.

All meals ordered/taken by pupils who are not eligible for free school meals will be chargeable. Should an amendment to an order of a school meal need to be made, this should be notified to the school office before 10 am. Parents/carers are expected to make prompt payment. Where payments are not made in advance of the meal being taken, parents/carers will be reminded of the Collection of School Meals Money & School Meals Debt Policy and this Policy will be followed.

There is no charge for pupils who are entitled to free school meals or universal infant free school meals.

## **Educational visits**

The school:

- will seek voluntary contributions from parents/carers where applicable
- will not exclude a child from participating in an activity during the school day on financial grounds

Where 10% or more of parents decline to make the requested voluntary contribution (their identity will remain confidential) then a decision will be made as to whether or not the visit or activity takes place.

  - parents/carers will be informed of the cost before the activity takes place

## **Music Tuition**

Instrumental tuition or singing lessons do not form part of the curriculum but are an additional activity arranged by the school and delivered by specialist tutors either on an individual basis or as part of a group, following parental request. The cost of such lessons is dependent on the charges applied by the tutors, the size of the group, the duration and frequency of each lesson.

The school operates on full cost recovery basis. However, in order to ensure equal opportunities for all pupils, charges for music tuition within school hours for pupils eligible for free school meals or children in care will be considered for remission in accordance with this policy (see remissions section).

## **Examination fees**

No charge applies when:

- an exam is part of the curriculum
- an exam is on the school's set examinations list

Parents/carers will be advised of any such costs before their child is allowed to undertake any such activity and participation will be on the basis of the parents willingness to pay the charges.

Parents/carers are able to claim remission from such charges in accordance with the guidance below.

## REMISSIONS POLICY
