SLT Governors	Governors	Information to pupils with disabilities and parents / carers will be improved.

Consideration must be given to the school's position as regards accessibility.

The school would like to be able to accommodate children with a range of disabilities and has had a range of building adaptations in the past to accommodate a range of needs. The upstairs classrooms are inaccessible to wheel chairs but a downstairs classroom has been adapted to meet the needs of the older pupils. The school would encourage parents to view the buildings and assess for themselves the accessibility required and discuss particular needs with the Headteacher.
