3RD SEPTEMBER 2021 — EDITION 01

## FROM MR RARATY

## UPCOMING DATES

Wednesday 8th  
September

**'Goslings' Summer**  
Born Children start  
school

Friday 10th  
September

Non uniform day  
for Mandevilles

Whoever thought we would get so excited by a school assembly? This photo captures the first time that the whole school has been together in real life for over 19 months. And what a joy it was!

We talked about high expectations and standards of both children and adults and how we can all be so positive towards each other.

It is just wonderful having all the children back together again. Long may it continue and let's look forward to a fantastic 2021/22 academic year.

### **Year 6 Secondary Application Parent Information Session**

I will be running a parent session about the secondary application process on Wednesday 8th September at 7pm. This session will be held virtually. Here is the link to access the meeting: <https://meet.google.com/tha-prbi-hst>

I will talk you through the process, what to watch out for and consider when choosing your preferred secondary schools but also busting some myths. The meeting should last no more than an hour.

### **Dates**

Attached is a set of dates for events planned for the year so far. More enrichment activities will be added as we go. As with everything at the moment dates may need to change due to any local restrictions that are put in place. However, I hope the list helps to give you an idea of what we have planned for the year.

### **Change of Date**

Due to the May Bank Holidays in 2022 being moved into the June half term in celebration of the Queen's Platinum Jubilee Essex County Council have had to change the last day of the academic year. The summer term will now finish on Thursday 21st July rather than Friday 22nd July.

### **Gardening Volunteers**

After many delays due to the pandemic, the Dunmow Roundtable will finally be refurbishing our allotment site on Saturday 18th September. We have also been very lucky to have secured a grant from Uttlesford Council and the parish councils to create a sensory/mindfulness garden. I am looking for a group of volunteers to come and help with this project on Saturday 18th. It will involve some heavy digging, pruning and planting of the new garden. If you are available to help please email me at [mr.raraty@rodingsprimary.co.uk](mailto:mr.raraty@rodingsprimary.co.uk). There will be plenty of tea and we will provide lunch. I'm afraid no children can be on site when this project is taking place. We will get the children involved in a different way.

# Menu

Week commencing 6th September 2021
