Rodings Primary School Charging and Remissions Policy

The Headteacher and Governing Board of Rodings Primary School recognise the value of providing a wide range of experiences to enrich and extend pupils' learning and to contribute to their personal development. The Headteacher and Governing Board aims to promote and provide such experiences for the pupils of the school, both as part of a broad and balanced curriculum and as additional optional activities.

This policy will set out the circumstances in which charges will or will not be made for school activities and when charges may be waived in order to ensure that all pupils have an equal opportunity to benefit from school visits, curricular and extracurricular activities. The Governing Board has resolved to make charges as allowed by the Education Reform Act 1988.

Statement

The policy complies with the requirements of the Education Act 1996 We aim:-

- To make school activities accessible to all pupils regardless of family income
- To encourage and promote external activities which give added value to the curriculum
- To provide a process which allows activities to take place at a minimum cost to parents, pupils and the school
- To respond to the wide variations in family income while not adding additional unexpended burdens on the school budget

CHARGING POLICY

School Meals

The charge for a school meal will be set at the start of the academic year by the Governing Board following consideration of the Catering Business Plan as part of the annual budget setting process.

All meals ordered/taken by pupils who are not eligible for free school meals will be chargeable. Should an amendment to an order of a school meal need to be made, this should be notified to the school office before 10 am. Parents/carers are expected to make prompt payment. Where payments are not made in advance of the meal being taken, parents/carers will be reminded of the Collection of School Meals Money & School Meals Debt Policy and this Policy will be followed.

There is no charge for pupils who are entitled to free school meals or universal infant free school meals.

Educational visits

The school:

- will seek voluntary contributions from parents/carers where applicable
- will not exclude a child from participating in an activity during the school day on financial grounds

Where 10% or more of the costs cannot be recouped then a decision will be made as to whether or not the visit or activity takes place.

Residential activities

The costs of residential activities can be high and such activities may only continue to be available if sufficient costs are recovered.

Charges that apply:

- travel costs – transport to and from the residential activity
- board and lodging
 - full cost of board and lodging on residential trips whether or not it takes place during school hours
 - parents/carers will be informed of the cost before the activity takes place
- costs of supply staff engaged to cover the staff accompanying pupils on a residential trip where the trip takes place during term time
- full cost recovery for residential activities that take place outside of school hours

NB> The Headteacher will use their discretion in subsidising the cost of any residential trip (either in part or full) for children of families who require additional support, for example pupil premium children.

No charge applies:

- where parents/carers in receipt of certain benefits may claim exemption in accordance with the remissions guidance below
- for education costs incurred on any visit during school hours
- for education costs incurred on any visit outside school hours if it is part of the school's curriculum

Music Tuition

Instrumental tuition or singing lessons do not form part of the curriculum but are an additional activity arranged by the school and delivered by specialist tutors either on an individual basis or as part of a group, following parental request. The cost of such lessons is dependent on the charges applied by the tutors, the size of the group, the duration and frequency of each lesson.

The school operates on a full cost recovery basis. However, in order to ensure equal opportunities for all pupils, charges for music tuition within school hours for

pupils eligible for free school meals or children in care will be considered for remission in accordance with this policy (see remissions section).

There will be no charge applied if the music tuition forms part of a public examination syllabus being followed by a pupil of the school.

Examination fees

No charge applies when:

- an exam is part of the curriculum
- an exam is on the school's set examinations list
- the pupil has been prepared for that exam by the school
- the exam is not on the set list, but has been arranged by the school

Charges will apply when:

- the pupil has not been prepared for the exam by the school
- the pupil wishes to re-sit an exam
- the pupil fails to reach the required standard without good reason (the school may ask the parents to pay the original exam fee)

Extra-curricular activities

Curriculum related clubs

Where these activities run outside of normal school hours, (ie. sports clubs, homework club, art club) a charge may be made to cover costs of equipment, teaching or non-teaching staff, specialist staff/coaches or materials used. The total charge will not exceed the actual costs incurred in the provision of the activity and will be set by the Headteacher in consultation with the Finance, Premises and Health and Safety Committee.

Parents/carers will be advised of any such costs before their child is allowed to undertake any such activity and participation will be on the basis of the parents willingness to pay the charges. A parent/carer signing up for a club are also agreeing to pay any charges associated with the club unless it is being funded through pupil premium or sports premium funds.

Parents/carers are able to claim remission from such charges in accordance with the guidance below.

Breakfast club/After school club

The provider for both Breakfast and After School clubs are responsible for collecting their own fees. However, there may be occasions when fees can be claimed from the school for example in the case of Looked after Children. However, this is only through prior agreement between the school and the external provider.

Where the voluntary contribution applies to an educational visit or extra-curricular activity should 10% or more of parents decline to make the requested voluntary contribution (their identity will remain confidential) then a decision will be made as to whether or not the visit or activity takes place.

DBS checks

The school will cover the cost of DBS checks for all employed staff. The school will cover the cost of DBS checks for volunteers.

REMISSIONS POLICY

When arranging a chargeable activity the Governing Board will invite parents to apply in confidence for the remission of charges in part or in full. Authorisation of remission will be made by the Headteacher in consultation with the Chair of Governors.

All claims for remission of charges should be addressed to the Headteacher and will be dealt with confidentially.

The school will consider the remission of charges to parents or carers who receive the relevant support payments (in accordance with the current DfE listing) which make their child/children eligible for free school meals and for children in care.

The school may decide to subsidise part or all of the payment of some charges for certain activities and pupils; each event or case will be considered individually by the Headteacher and the Governing Board.
