Outline of Primary Sport Premium spending 2021-2022				
Item/project	Cost	Objectives	Outcome	Evidence or Sustainability
Swimming	£4000	To subsidise transport to Dunmow/Ongar pool so that all children are able to swim more than the required distance stated in the National curriculum.	Every Child leaves Rodings Primary being able to swim 25m or more. Every child has water safety and rescue skills.	Reports from Swimming coaches. Donations from parents to help with costs. Monitoring by the Finance Committee.
Training	£800	To improve the teaching skills needed for sport for existing staff.  To develop teachers skills in gymnastics.	Staff feel more confident teaching a variety of sports. Teachers have skills uplifted so that children are challenged during PE sessions. Staff feel more confident in the teaching of gymnastics and are more secure in the	Staff PE and sports survey Training is attended by all teaching staff. Provision is made in the CPD budget for future training. 100% of Gymnastics lessons are judged to be at least good.

		To embed health and safety procedures in the teaching and learning of gymnastics.	health and safety aspects of gymnastics.	
Specialist Sports Coaching	£25 an hour x5, x10 = £1250	To provide quality sports coaching to a variety of year groups.  To develop teachers' sports skills by shadowing a specialist sports coach.  To improve the points score and the overall contribution to GLD for Early Years physical activity.	Children receive quality sports coaching in a variety of sports.  The average point score for physical activity increases.  Children develop a love for sport and pursue their interests further outside of school.	Lesson observations.  Finance committee to monitor sustainability.  Moderation of Early years and the increase in the GLD.
Transport	£1500	To provide transport that parents do not donate too so that children can attend sporting events.	As many children as possible are able to attend a sports competition or festival.  An improved uptake in the number of children engaging in sport.  Contribution to a school minibus	Finance committee to monitor spending on transports.  Pupil survey
Experiencing a variety of sports	£6600	To plan opportunities for children to participate in sports not usually taught through the National Curriculum.	Other sports are experienced such as climbing, water sports, horse riding etc.  All children find an activity that engages them.  Alternative sporting activities are valued as much as football and netball.	Checklist of sports activities attended is kept.  School Parliament suggests sports activities they would like to get involved in.  Finance committee monitor budget

				Look at parents/community groups that offer alternative sports.
Playground Improvements	£5000	To improve playground provisions at break and lunch time. Investigate Opal outdoor learning to improve lunchtime activity.	Children are participating in a more active lunch time.  Reluctant children engaged in activities that are supported leading to a healthier lifestyle.	Equipment purchased is robust and long lasting.
