Spring Bulb

Rodings
Plant Out!

Dear Parents and Carers,

You may be aware that we have not been able to run most of our events this year due to coronavirus. We have instead been working hard to think of new Covid-friendly ways to raise funds for our lovely school, and this is one of them!

We are organising a Spring Bulb Plant Out for the children on the **9th November 2020**.

For a minimum donation of £1 per child they will get to go out in their class bubbles and plant their very own daffodil bulb in the school grounds.

In addition to this being a fun activity for the children on the day, it will be lovely for them to see their flowers growing in the Spring, when hopefully everything will be a bit more cheerful!

Please send your donations in with your child by Monday 9th November.

Thank you so much for your continued support.
