22ND JANUARY 2021— EDITION 17

FROM MR RARATY

It has been lovely to be back in school this week catching up with our key worker children and the staff that are currently supporting them.

I would like to take this opportunity to say thank you to all those people that sent 'Get Well' messages. It really did help with the recovery.

Good News Alert!

Congratulations Miss Wright!

I thought that I would share some lovely news to cheer us all up.

Congratulations to Miss Wright who got engaged over the Christmas holidays.

I'm sure you will join me in sending best wishes and love from everyone at Rodings

Admissions Policy Determination

The full Governing Board met virtually this week in an 'extraordinary' meeting to discuss our Admissions Policy.

All schools are required to consult on their admissions arrangements every 7 years and as a Foundation school this responsibility lies with our Governing Board. Governors agreed in September to make no amendments to the current policy which gives local children with a sibling at the school and then other local children, precedence over those children who have a sibling at the school but who do not live in our priority area.

The responses to the consultation were discussed at our December meeting and it was agreed that a separate meeting was required to give this matter the attention it deserved. On Monday our Governing Board voted unanimously to keep the admissions criteria as advertised in our consultation. All governors considered the responses carefully and are sympathetic to the issues raised.

We are very proud of our school and it is a result of our success that parents outside our priority area wish their children to attend our school. However, we feel that Rodings Primary School must prioritise the children of our local community and we will continue to do our best to ensure that places are available for local families.
