

# WEEKLY NEWSLETTER

12TH MARCH 2021 - EDITION 23

**FROM MR RARATY**

Welcome Back Everyone!

We have had such a fantastic week back! The school has an excited buzz in the air and it is full of smiles and happy faces. In fact, it feels like we have just been away for a long weekend and the children have settled back into their routines very quickly. Well done everyone for a great return!

## Learning Consultations

Due to the lockdown and wanting to settle the children back into school we have moved the planned Learning Consultation dates to April. The new dates are 21st and 22nd April. Booking information will be with you soon. We are also sending out a pre meeting questionnaire to gather your thoughts on how your child did during the remote learning. This is to help teachers plan your Learning Consultation carefully so that you get the most from your slot. If there is a common thread from the returned questionnaire, a group response will be published either on Class Dojo or by email. The questionnaire should be with you in the coming week, so look out for it.

## Book Week Character Potato Winners

We had so many entries for this competition, it was so hard to decide. However, in the end we were won over by these great designs. Well done Eva-Rose and Max. Enjoy your book prizes!
