26TH MARCH 2021- EDITION 25

## FROM MR RARATY

We have had a lovely day celebrating what has been an incredibly unusual and testing term. It was important for us to see the positives from the past few months. So this newsletter will be filled with lots of celebrations.

### CONGRATULATIONS TO OUR EFFORT CUP WINNERS

We held our usual Effort Cup Assembly today and I am pleased to announce that the winner of the Key Stage 1 Effort Cup is **Josh Pinnock** and the Key Stage 2 cup went to **Elsie-Mae Allen**

Well done to all those that were nominated. You all richly deserved your certificates and pin badges.

### CONGRATULATIONS TO OUR MANNERS CUP WINNERS

Each term the Kitchen choose two children who have shown impeccable politeness and good manners when being in the hall and using the servery. Miss Dunne and her team have noticed a real increase in manners over the last term and found choosing two children very difficult. However, the Key Stage 1 Manners Cup was awarded to **Annie Juttner** and the Key Stage 2 Manners Cup went to **Lewis Rutland-Miller**. Congratulation to both!

### HOUSE CUP AWARDED FOR SPRING TERM

For this term we have converted all the Class Dojo points earned during lockdown into house points as well as the house points awarded since we have been back. This has meant bumper totals for this term. Congratulation to Tilty who have 'done the double' and won the cup for a second term. Can they do the triple?

They will have another non uniform day on Friday 16th April.

## PHOTOGRAPHY COMPETITION WINNERS

During lockdown we ran a photography competition called 'Life is beautiful'. We had an amazing response and it has been hard to choose the winners. However, a final decision has been made and the two winners are below. Congratulations to Flora in Puffins class and to Mrs Wood. Prizes will be making their way to you soon.

I was so impressed by the quality of the images that I have approached the Friends and the top twelve children's images will be made into a calendar to raise funds for the school. Watch this space for further news.

## FROM THE GOVERNING BOARD

On Monday 22<sup>nd</sup> March we had our full governing board meeting. As you can imagine, we had lots to talk about! First, we asked about the most recent return to school. We were told about how lovely it was to see all those happy faces, and although it has been tough for some, staff are encouraged by the progress that has been made so far.

Mrs Brown kindly joined our meeting and gave us an update on the SEND policies and Mr Raraty gave us a very detailed Headteacher's report, mainly on the COVID-19 Restore and Recovery plans that have been initiated. To name a few highlights; the new Accelerated Reader programme sounds like a fantastic resource for the school. A big thank you to Miss Raban for overseeing the initial set up for this, it sounds like many hours of preparation has taken place to get this off the ground. Mr Wright has been working tirelessly on a new programme called Mount Multiply, tailor-made for our students, launching imminently! Watch this space, it sounds exciting.

Staff are taking part in a wealth of CPD sessions and training to aid the progression of the curriculum. Encouraging innovation and creativity, whilst maximising inclusion and support for all different types of learners. It is incredible to hear of the staff dedication towards our children's education.

A big thank you also goes out to Mr Clements for his ongoing work on Health and Safety around the school and all the recent paperwork updates. And also a big welcome to our new Catering Manager Sinead Dunne, we hear you have some brilliant ideas around menus and collaborating with the curriculum.

We had a finance and budget update, thank you to all the governors and school staff involved in producing these detailed figures to ensure we are in a good place financially. We can confirm that we can budget for new Chrome Books for the school, which will mean we can replace and add to our existing technology. Giving students easier access to whole class sets of IT to support them with their learning across all subject areas.

To complete our meeting, we signed off updates on a collection of school policies and we are all keeping our fingers crossed that we will be allowed on school grounds soon to visit.

We hope you all have a safe and restful Easter break.. I hear the Easter bunny has had both vaccinations now
