

WEEKLY NEWSLETTER

16TH APRIL 2021- EDITION 26

FROM MR RARATY

Primary Offer Day

Today, is that well anticipated time of the year where the children and parents find out their allocated schools for September.

We are so excited to welcome the new children and families to Rodings. More information will be coming out over the coming weeks about our plans for the smooth induction of the children.

We really look forward to working with all the families, new and old.

Learning Consultation

The postponed Learning consultation from Spring Term are happening next week. Thank you to all those parents that have already booked slots. There are still places available in all year groups, (Years 1 –6) so if you haven't booked in please do so by Tuesday via your Arbor account. Many Thanks!

Essex Recovery and Return

As part of Essex County Council's Recovery and Return plan following COVID-19 they have produced a series of videos to support families wellbeing. This includes looking after yourself, your family and then there is an additional video if you have a child with special needs. I have put the links below. Please remember that we are always here to support in anyway we can. Please get in contact with however you feel most comfortable with and we will try our best to help.

Part 1: [Looking after yourself](#) (28mins)

Part 2: [Looking after your family](#) (39mins)

Essex Local Offer: [Coronavirus support wellbeing and mental health](#)

Reading

Reading is at the core of our recovery plan for learning. In Key Stage 2, we will be using a new approach so the children's books may look different to what you may be expecting. We will send out more details next week but please bear with us as we get organised with the new programme.

Have a lovely weekend!
