FROM THE CLASSROOM OF...KOOKABURRAS

Kookaburra Class have been working so hard since returning to school. In our new topic 'Paddington Bear's Adventures,' we have been following Paddington on his explorations around the UK and this week we learned how to give directions using 'forwards, backwards, left and right.' We are excited to find out where he visits next! We have also been learning about plants in science - learning what they need to grow, acting out the life cycle of a plant and planting our own seeds. We have already learned so much and cannot wait to watch our plants grow and change even more!
