FROM MR RARATY

Thank you to Dunmow Round Table

Two years ago Dunmow Roundtable very kindly granted us a request for funding to renovate our school allotment. They also promised a band of volunteers to help start the renovation. The first date for work to start had to be abandoned due to torrential rain. Then COVID hit! Last Saturday, 18 months later than scheduled, the works began and what a difference it has made to the look of the allotment. It's not quite finished but we are getting there. Thank you to the Roundtable for all their efforts. It is very much appreciated and I can't wait for the first lot of fruit and vegetables to be harvested.

BUT WE STILL NEED YOUR HELP!

We were also granted funding from Uttlesford and the Parish Councils to develop a mindfulness and sensory garden. Mr George and Mr Gordon did a great job of getting this started on Saturday too. However, we have to have completed this project by half term to fulfil the agreement of the funding. So I am looking for volunteers to help during school hours on Friday 8th October. If the works are not completed on this day I will open a second date of Friday 15th October. If you are interested in helping please message me through Class Dojo or email me at mr.raraty@rodingsprimary.co.uk. Thank you!

Nut Allergies

Please remember that we are a nut free school due to several children having severe nut allergies. In recent weeks we have had to remove food items from children's lunch boxes because they contained nuts, mainly in cereal and chocolate bars. Allergic reactions can happen in seconds and I don't want to be reporting a tragic incident. Thank you for your understanding!

Have a good weekend!

Dear Parents and Carers

We have an exciting event happening soon across the whole school...a Virtual Book Fair! This is a great opportunity to buy books at fantastic prices, there are 1000's at only £2.50 including many top titles from Baby books through to teen books. There's many great non fiction books to support topic learning this term. All orders placed during our book fair will be delivered to school for free and also school will be able to earn a free book for every five £2.50 books purchased by the parents/carers.

Do not order yet (or you'll be charged for delivery) but you can have a look at the amazing titles at www.booksforbugs.co.uk

We will announce very soon when our Virtual Book Fair has started.

The Friends of Rodings Primary School Autumn Term Events 2021

The Friends met this week...in person for the first time since early 2020! We are very excited to present our schedule of events for this term and hope you can support us by attending, volunteering or sponsoring – the Friends events raise vital funds for the school but are also a huge part of bringing the school community together so we are thrilled to be planning again!

Schedule of Events

Virtual Book Fair – 4th October

Spring Bulb Plant Out – from 11th October

Fireworks Night – 4th November

Christmas Panto – 26th November

Virtual Christmas Craft Fair – 26–28th November

Full details of the events and how you can take part or help will be published in the newsletters and on our Facebook page, so keep your eyes peeled!

The Friends of Rodings Primary School

Spring Bulb Plant Out

Following on from the success of last year we are organising a
Spring Bulb Plant Out again.

For a minimum donation of **£1 per child** the children will get to plant
their very own spring bulb in the school grounds.

In addition to this being a fun activity for the children on the day,
watching the bulbs grow and the flowers bloom in spring is
wonderful and the school grounds look particularly beautiful as we
welcome the warmer weather.

We would be grateful if you could please send your donations in to
school in a named envelope by **Friday 8th October**.

Planting will then begin from Monday 11th October.

Thank you so much for your continued support!
