17TH SEPTEMBER 2021 – EDITION 03

FROM MR RARATY

At the Meet the Teacher session last night, I mentioned that we are very excited by the curriculum developments we have made over the last year. Part of that is to work in partnership with arts organisations to really enrich the children's experience at Rodings. In Spring and summer of 2022 we will be working with ROM Theatre Arts to develop our drama and arts curriculum. In the meantime, I have attached some information regarding workshops (some free) they are offering in the coming weeks. Book directly with ROM Theatre Arts..

Gardening vouchers

We have registered with Morrisons 'It's Good to Grow' campaign. All you have to do is download the app and when you shop at Morrison online or in store the school is awarded points which can be turned into gardening resources. If you are a Morrisons shopper please take part so that we can really get going with our soon to be refurbished allotment. Thank you!

We need you!
Parent Governor Election

Sadly, Alice Smith, one of our parent governors, resigned at the end of last term as her family moved away from the area. This has left a vacant position for a Parent Governor on our Governing Board.

We are looking for people to come forward to fulfil this position. If you are interested, in the first instance, please contact me to arrange a meeting/call to discuss what the role entails in more detail. If more than one person expresses interest in the post it will go to a parental vote.

Governors are volunteers but there is an expectation to commit to a series of meetings and participate in governor visits and policy reading.

The Governing Board is an integral part of Rodings and provides support and challenge to make Rodings the best it can be.

Parent Governors are elected by parents but do not represent parents on the board. I can explain this in more detail if you are interested in the post.

The deadline for nominations is Friday 24th September and should be emailed to mr.raraty@rodingsprimary.co.uk

I would just like to welcome all the new parents & carers to the school and introduce myself, I am Mr Clements the School Site Manager and I would like to make you aware of a couple of things.

First thing in the morning we operate a Kiss & Drop system, this allows you to pull into the main car park, kiss your children goodbye knowing that they are in the safe hands of the staff and get away safely.

The school day starts at 8.30am, so please keep the children with you until you see a member of staff in the car park. We also have another member of staff on the zebra crossing and at the main reception. It does get pretty busy at times so please park as far down the 3 lanes as possible.

Please do not drop your children before or directly after the speed hump.

Pick up in the afternoon is run in a different way.

We have 10-12 mini buses parked in the bus lane, this leaves us 2 lanes for parents/carers until the buses have gone. Weather permitting we will use the field for the buses.

Please park as far down each lane as possible and move forward as the car in front moves away. A member of staff will do their best to direct you where to go.

It's imperative that you all adhere to your allocated pick up times, it will make it so much easier for everyone.

Please ensure that you stick to the 5mph speed limit, and be aware that there are children all around you at all times

Thank you for your time and effort to make this work.

RODINGS STARS

Arthur was awarded a Blue Peter 'sports' badge over the holidays for taking part in a new sport (cricket). He wrote to Blue Peter to tell them all about it and they sent him a limited edition Blue Peter badge designed by Olympic Medallist Skye Brown.

We are very proud of him :-)
