Non uniform day
for Hrotha house

When I became the Headteacher at Rodings in April 2014, one of my first tasks was to recruit a new Early Years teacher. As soon as Mrs Magness, Miss Thurgood-Buss back then, walked through the door I knew she was the right teacher for us.

From day one Mrs Magness has been amazing! From introducing new teaching approaches to Early Years, her role as Read, Write Inc manager and a Forest School lead, everything has been approached with dedication and passion. As of today, Mrs Magness has taught nearly every child in the school. A privilege of being an Early Years teacher.

I want to say a huge thank you to Mrs Magness for all her hard work and commitment over the last seven years. We will miss you loads and Rodings will be a strange place without you.

Wishing you all the best for the future !

As we approach the end of 2021 it could be easy to fall into the trap of talking about all the negatives and how tough the last year has been. Without a doubt, the last year has been one of the toughest of many teacher's careers but it has also helped highlighted many positives.

I have learnt just how strong and resilient the Rodings community is. It has come together to support so many people in need. Rodings is a very generous community, not only financially but also in time, care and keeping others in their thoughts.

The children have been incredible! They have smiled their way through the difficult times whilst putting up with some very strange circumstances. They have really kept us going!

Thank you so much for your support over the last term. It is greatly appreciated! Your amazing feedback through the parent survey shows that we are on the right track. I will publish the results in the new year.

All that is left to say is have a safe and enjoyable Christmas and a Happy New Year. Wishing you all the best!

Take care!
