FROM MR RARATY

We're on Instagram

We are really proud of our school and we want to shout about it! We have set up an Instagram account so that the wider community can see what we get up to at Rodings. Of course, we will follow all the consent permissions regarding photographs of children and GDPR regulations. So, come and join us and spread the word at **rodingsprimary**

Uniform

Over the last few years we have, through covid regulations, been more relaxed about school uniform as regular cleaning meant that keeping a fresh set of uniform was more difficult. In July, I wrote to all parents saying that our normal uniform rules would apply again from September 2021. The majority of children are now wearing the right uniform to school. However, we have a significant minority who are not complying with the school's uniform policy. The biggest issue is footwear. Trainers and sports footwear are not acceptable even if they are all black. Below I have listed some reminders about our uniform policy that are currently an issue in school.

- Trainers and other sports footwear are only allowed to be worn on PE days.
- The only jewellery allowed is a watch (no smart watches) and for those children who have their eyes pierced; small plain stud earrings.
- Long hair needs tying back regardless of gender.
- PE kits should be plain and in the school colours (some children are turning up on a PE day dressed as if it is an additional non-school uniform day).
- No nail polish

The full Uniform policy is attached for reference.

Why do I think uniform is important? I believe that it develops a sense of belonging and pride in the school. Children should be proud of their school uniform because they are proud of their school. It also provides an aspect of equality where the focus is doing well in lessons and not on what they are wearing each day.

Thank you for supporting our uniform policy.

UPCOMING DATES

25th & 26th
January

Year 6 Learning
Consultations

HOUSE POINTS
